| 8 | 03.11.2022 | I want to the reason to implement a few of things. | | | |
| | | <p>Why does a student who is there to study in a National Importance Institute have to compulsory take the Transport, Hostel, and mess?</p> <p>The transports, hostel, and mess are not part of our Institute. They are being managed by a private body we can easily choose not to take on our preference, still, it is made compulsory.</p> | <p>It does not fall under the purview of The RTI Act, 2005. However, IIIT Vadodara is an Institute of National Importance and as per the Institute ordinance, staying at hostel is mandatory for UG students. http://iiitvadodara.ac.in/pdf/Ordinance/04_Disciplinary%20Manual_ordinance-IIITV_English.pdf (Section - III, point 1). Further, mess is an integral part of the hostel. As the distance between hostel and Institute is approximately 16 kms, therefore transport facility has been provided to the students for the ease of conveyance so that they can participate in the academic activities in time and without any transportation hurdles.</p> | | |
| | | <p>Secondly, the institute is charging Hostel Estt. Fee - Rs. 2000, Hostel and Mess Reserve Fund - Rs. 1000.</p> <p>We are staying at Rajlabdhi heritage which is a society and different kinds of flats are there 3,4 BHK. Therefore this is not our institute hostel. We are just living in a society, then why we are being charged Hostel Establishment Fee?</p> <p>We were directed to pay Reserve funds during the past 2 years, during a covid time when no one was utilizing the services. 2 years have passed and still, these charges are being implemented.</p> | <p>It does not fall under the purview of RTI Act, 2005. However, the fee is approved is by Board of Governor of the Institute.</p> <p>Initially, the Reserve fund was Rs. 5000/- and later it was reduced to Rs. 1000/- per semester based on the Institute's utilization. As the name suggests, it is a reserve fund for any unforeseen circumstances. The same is also approved by Board of Governors of the Institute.</p> <p>For detailed understanding of the same, you may visit Registrar's Office, if you consider it fit.</p> | | |
| | | <p>We have to face mental torture in our hostel (Society). if the institute claims this society as Institutes hostel, then why these minor tortures are not being managed properly?</p> <p>The builder of the social abuses each child of IIITV and even he was abusing our prestigious Institute. He instructs at midnight (3 A.M.) all</p> | <p>Please connect with the hostel wardens of the institute to discuss the grievances. Kindly share the videos for the necessary action can be taken thereafter.</p> <p>It is to further inform you that Institute has already published tender to search for alternative hostel facility. You may visit the Institute's website and see the details.</p> | | |

| | | | | | |
|--|--|---|--|--|--|
| | | <p>the students keep shouting. Still, we are paying Establishment and maintenance fees. How can one student progress in such an environment? Why does one have to forcefully live in such an environment?</p> <p>I have got a few of the videos I could share with you.</p> | | | |
| | | <p>As per my knowledge it was directed that tuition fees would increment by 10% every year.</p> <p>Tuition fee for the 2018 batch was 70,000. For the 2019 batch, it is 77,000. Why for the 2020 Batch it is 95,000?</p> | <p>The statement is incorrect. Tuition fee remains the same for 4 years of the UG program for the same batch. The decision regarding any change in fee of new batch is taken by the Board of Governors of the Institute.</p> <p>It is apparent that you have taken admission as a fresh student in the next year, thus the fee of the particular batch is applicable to you.</p> | | |
| | | <p>Also why attendance is not mandatory in a prestigious institute and the way of taking attendance in a National Importance Institute is ridiculous. Even when the institute is running in offline mode the professors are taking 50% of the classes online why so?</p> <p>Attendance in our Institute does not seem to be compulsory. Also, a few of the professors take the attendance on a sheet of paper where most of the students mark the proxy. In an Institute like this, we even don't have a proper track of student attendance. The professors are taking online classes even when the institute is running in offline mode. This is done just because they can teach DIU campus students. In order to teach those students the classes are still being operated online.</p> <p>The other reason for not tracking the attendance could be that if attendance is made compulsory then there would not be enough seats available for students to sit as we don't have proper seating capacity in our institute. Felt this during Examination time.</p> | <p>It does not fall under the purview of The RTI Act, 2005.</p> <p>It is a statement.</p> | | |
| | | <p>The Placement Cell for Gandhinagar campus and ICD campus should be different.</p> | <p>It is a statement.</p> | | |

| | | | | | |

| 9. | 19.01.2023 | 5 points information regarding Teaching and Non-Teaching staff | | <p>Although data was provided, it seems that CPIO was not confident about the data & made the misleading statement in the reply "You being an ex-employee, in case of any doubt or mismatch with respect to your knowledge, you are advised to contact us".</p> <p>This indicates that the repository of data is not confident about the genuineness of the data. Since I left the institute 4 years ago, it is not possible for me to verify.</p> <p>Therefore, You are requested to confirm that the data provided by CPIO was 100% correct and genuine.</p> | In view of the statement the FAA directed the CPIO to delete the statement from the reply of the CPIO. |

Annexure - I

Indian Institute of Information Technology Vadodara

Office of Registrar

OO: IIITV/2019-20/ 18

Office Order: Instructions on Attendance and Leave of Absence

1. The B.Tech Programme ordinance clause ("BTR 3: ATTENDANCE AND LEAVE OF ABSENCE") states the following:

"3.1 (a) Students are required to attend all the classes (Lectures, Tutorials, Laboratories, Practical, Workshops etc) for which they have been registered.
(b) Students will have to attend all classes. A student may be debarred from appearing in an end semester examination if his/her attendance falls below 75 percent and will then be awarded an "F" grade in that course.

Leave Of Absence

3.2 (a) Students are not expected to be away from the Institute during a semester.

(b) Students may be granted leave of absence on situations like death in the immediate family circle. Such leave will in no case exceed one week.

(c) Absence due to illness not exceeding three weeks will be allowed after taking due permission. Due to emergencies, such permission may be taken later, and by the guardian if necessary.

(d) If the period of absence in a semester exceeds three weeks, the student will have to drop the semester by dropping all courses he /she has registered for. The Senate may allow longer absences only in special circumstances and only after ascertaining the student's ability to make up for the lost time.

(e) The leave of absence as per Clauses 3.2 (a) to 3.2 (d) will not be condoned for attendance.

3.3 It will be the responsibility of the student to intimate the Warden of the hostel in which he/she is residing, and the concerned instructors regarding his/her absence before proceeding on leave."

2. It was observed that, during the winter semester 2018-19 many students had shortage of attendance. The senate had viewed this with seriousness. However the Senate had permitted students on a sympathetic ground as a special case. Considering the provision of academy

ordinance and the view of the Senate, students who do not meet the attendance criteria will not be permitted to appear the end semester examination.

3. It may be noted that earlier order (reference OO:IIITV/2017-18/40 dated 15th January 2018) regarding additional 5% attendance relaxation to students having CPI of 8.0 or more has been superseded and thus this relaxation is not available.

All students having CPI of 8.0 or more in the previous semester can have 30% of absence including reasons as mentioned in

4. Further, to the above, the students failing to meet the attendance criteria **will not be permitted to appear for the supplementary examination also.**

5. The student can present their case to Director 15 days in advance. The case will be considered on merit for any relaxation.

This has the approval of Director.

HRPC:2-5 APPROVE THE POLICY ON MAINTENANCE OF SERVICE BOOK/ LEAVE ENCASHMENT AND GRATUITY / EX-GRATIA

Service Books

The HRPC was informed that, IIIT Vadodara started maintaining service books of employees from October 2017 onwards when CAG raised the issue. To settle the point, Institute decided to make service books of only those employees, who were regular employees. This was due to the limited manpower available at that time and the employee data was also not captured as per Service Book Format. Now all employees who are on the strength of Institute w.e.f. July 2019 are being considered for preparation and maintenance of Service Book.

The details of employee who have left the Institute is enclosed as Annexure - II.

Making Service Books of employees who have left and have not joined CFTIs does not merit. However, in some cases, some employees have joined CFTIs and are requesting for service book through their current Institution. In one such case IIT Goa is requesting for the Service Book of the employees who joined from IIIT Vadodara.

| 145 | 25.06.2024 | The placement statistics of B.Tech 2023-24 are contradicting. There are many points of concern. (The pdf attached is the print of placements page of the official website of IIIT Vadodara) | | |
| | | If 45.7% of overall placements gives 43, then total equals to 94 students placed (acc. page 6/6). But the total students placed is given 196. | 164 | 07.09.2024 | I admitted my son to IIITV, considering his disabilities, and we requested the institutions support for his needs. While most of the faculty were accommodating, we encountered difficulties with Prof. Dibyendu, who was not responsive to our requests for assistance during my son's exam. Despite several attempts, Prof. Dibyendu did not scrutinize my son's examination paper. Additionally, the hostel accommodations, managed by Prof. Ajay Nath, Dean, were quite cramped. Students were instructed to share rooms with three individuals per room. Moreover, there was significant disruption as students were required to relocate between hostels twice within a four-month period. No. IIITV/R/T/24/00043 dated 03-10-2024), which was submitted under the life and liberty clause. ANNEXURE 2

Indian Institute of Information Technology Vadodara

Office of Registrar

OO: IIITV/2020-21/ I/12 19.11.2020

Office Order: Policy on Technical Resignation

- IIIT Vadodara has been recruiting employees in undermentioned categories:
 - Consolidated Pay Contract
 - Scaled Pay Contract
 - Tenure Contract (with lien)
 - Tenure Contract (without lien)
 - Regular
- It is noticed that all employees on contract, keep applying for jobs to other organization. Some of them take NOC while applying. It is natural for contractual employees to look for regular roles.
- IIIT Vadodara being in PPP scheme is under Self Sustainable mode and detailed service rules are not yet framed. Thus, there is no clarity whether on resignation from Institute and joining other CFTIs, it is to be considered as "Technical Resignation".
- This in order to have uniformly, following is proposed:-
 - Employees under Consolidated Pay Contract, Scaled Pay Contract, Tenure Contract (without lien): All such employees need not take NOC while applying. They will be given benefit of Technical Resignation provided they complete the notice period as per appointment order.
 - Employees under Regular Service of Institute: All such employees need to take NOC while applying. In such case, if they have not taken NOC, they will not be given benefit of Technical Resignation.
- The benefits of Technical Resignation can be one or more of following:-
 - Pay Protection at joining organization
 - Transfer of service benefit viz. Gratuity, Leave encashment etc as approved by the Institute in due course when service rules are framed
 - Any other benefit subject to policies of the Institute.
