### Office Order: Corona Pandemic (COVID 19)

In view of the current Corona virus (COVID-19) pandemic, we urge all stakeholders and general public to remain safe. We also discourage visiting Institute and hostel premises.

It is informed that the Institute is functioning on minimum (skeleton) manpower due to corona virus lockdown and thus our responses would be delayed.

Under these circumstances Institute is handling only emergency work. Activities that can wait will not be taken up.

Inconvenience is regretted

This has the approval of Director.
