Office Order : COVID 19 Pandemic - Delayed Response

In last two weeks two positive cases of COVID 19 have been reported by employees of IIIT Vadodra. In view of the above, many other employees have also been isolated to meet the COVID 19 protocol.

This is to inform everyone that due to above, Institute is working with limited available manpower and thus our responses would be delayed.

Under this circumstances, Institute is handling only emergency works. Activities that can wait will not be taken up. We also discourage visiting Institute and Hostel Premises. Inconvenience is regretted.

This has the approval of the Director.
