

Indian Institute of Information Technology Vadodara

Summer Internship Programme – 2018

Indian Institute of Information Technology Vadodara (IIIT-V) is an **Institute of National Importance** conducting UG, PG and PhD programmes in Engineering, Mathematics, Statistics, Sciences and/or Humanities. At present, IIIT-V is operating from its temporary premises at Government Engineering College, **Gandhinagar, Gujarat, India**.

Indian Institute of Information Technology Vadodara invites applications from students of different institutes/universities for the Summer Internship Programme – 2018. The 4-8 week Internship programme is open for the Under-Graduate/Post-Graduate students of various disciplines such as Engineering, Mathematics, Statistics, Sciences, and Humanities. The details of the programme are as follows:

Duration

The Internship duration is 4-8 weeks in the permissible period starting from 3 May 2018 to 20 July 2018.

Application Process

- For UG students, in order to apply for the Summer Internship Programme – 2018, he/she must have, at least, completed IV semesters of his/her degree programme. Those who are in the IV semester, awaiting result, are eligible to apply.
- Students are encouraged to approach the faculties of the institute (working in their area of interest) directly. The information about the institute faculties are available at the following webpage: <http://iiitvadodara.ac.in/faculty.php>
- Students have to include the following details in their email while approaching the faculties of the institute.
 - Curriculum Vitae
 - Letter issued by the Head of the Institution certifying that a student is a bonafide student of their institute.
- Students will be notified by the faculties, if selected, directly.
- The last date to apply for the Summer Internship Programme – 2018 is 30-April-2018.

Facilities

The **internship programme is free of charge** for students/interns who do not require accommodation, transportation, and mess facilities.

If a student requires accommodation, transportation, and/or mess facility at the institute, viz. IIIT V, the same has/have been provided if available/feasible, and a student has to bear the charges of the same. For accommodation and transportation, students/interns have to pay the **monthly charges in advance**. For the procedure to pay the same, interns can approach the institute office on arrival at the institute, viz., IIIT V.

- **Accommodation at Institute Hostel:** Hostel rooms will be available during the summer vacation on sharing basis (three students per room). The charges of the same are as follows:

Indian Institute of Information Technology Vadodara

- 4 weeks or less – Rs 2400/-
- 4 weeks to 8 weeks – Rs 4800/-
- **Transportation:** The institute bus service can be utilized by the interns as per the following rates:
 - 4 weeks or less – Rs 1500/-
 - 4 weeks to 8 weeks – Rs 3000/-
- **Mess:** Interns can utilize mess facilities available at the institute. The **tentative** charges for the same (per day basis) are as follows:
 - Lunch/Dinner: Rs. 50 per meal
